

## Sponsorship Application

As is listed in our strategic plan, First 5 Amador may support conference, workshop, or event registration costs of up to \$50 per person. Please fill out the following information for consideration of First 5 Sponsorship and include an explanation of how this will serve children 0 - 5 in Amador County.

*Please allow up to 30 days for review and processing of your application if approved.*

*All approved applicants are responsible for registering participants for each event themselves. First 5 Amador will forward the awarded amount to the applicant. Please submit copies of all registration materials and number of participants to be registered to be considered. Please submit application and materials in a timely matter as to allow time for review of the application, the processing of the check if approved, and for registration to be submitted by the applicant for the event.*
