"Kids in Common"

Children, Nature & You:
Sowing the Seeds of Learning
Presented by Diane Gordon, Hooked on Nature

Light Dinner and Interactive Workshop for:

Parents of children ages 0-5,
Kindergarten Teachers/Educators,
Child Care Providers,
Pre-School Educators,
and Elementary Principals,

Thursday, September 3, 2009

6:00 — 8:30pm

Health & Human Services Building, Large Conference Room
10877 Conductor Blvd., Sutter Creek

Learn:

- How simple nature experiences help children develop pre-reading and pre-math skills
- How play in nature enriches and supports the young child's physical, emotional, social and intellectual development
- How we can provide simple, creative and enjoyable nature experiences both at home and in early education settings
- Plus, enjoy a light dinner and network with friends & colleagues

Space is limited! RSVP no later than
Monday, August 31 to:
cheri@first5amador.com or (209) 257-1092
